A word of advice regarding property:

CTIC

nothing is more important than getting CLEAR TITLE to the land on which it stands.

To help be certain that the title is clear and protected from most attacks or claims arising out of the past . . . . have the title insured by CHICAGO TITLE INSURANCE COMPANY. It is the company with nation-wide operating experience . . . . plus offices and agents throughout the country with local staffs who are completely familiar with local real estate practices.

the symbol of protection and service
