To: Hamilton County Drainage Board

Re: Stony Creek Drain, Weaver & Hooke #23 Arm

Upon review of the drainage sheds, I believe that the Weaver & Hooke #23 Drain should be made an arm to the Stony Creek Drain as the Weaver & Hooke #23 Drain is a tributary to the Stony Creek Drain. This would also avoid a double assessment on the tracts currently assessed for the Weaver & Hooke #23 Drain when the remainder of the Stony Creek Drain is assessed for maintenance.

The William Weaver Drain was created in 1928 and the Sam Hooke Drain was created in 1939. Both drains were created by the Hamilton County Circuit Court. At present the Weaver & Hooke #23 Drain maintenance assessment affects 1,844.45 acres. The rate of assessment for the drain was set on June 26, 2006 at the following rates: Non-platted Residential & Agricultural tracts are set at $1.00 per acre with a $15.00 minimum. Platted lots and common areas in subdivisions whose drainage systems will not be part of the regulated drain are set at $5.00 per acre with a $35.00 minimum. Platted lots within subdivisions and common areas whose drainage systems will be part of the regulated drain are set at $10.00 per acre with a $65.00 minimum. Commercial, institutional and multi-family residential tracts are set at $10.00 per acre with a $75.00 minimum. Roads and streets are set at $10.00 per acre. This rate collects $3,698.52 annually and the balance within the fund is $12,388.72. There are no outstanding work orders for this drain at this time.

The current maintenance assessment will revise as per the rates set for the Stony Creek Drain which are as follows:

1. Maintenance assessment for roads and streets are set at $10.00 per acre.

2. Maintenance assessment for agricultural tracts are set at $4.00 per acre with a $15.00 minimum.

3. Maintenance assessment for non-platted residential tracts are set at $4.00 per acre with a $15.00 minimum.

4. Maintenance assessment for commercial, institutional and multi-family residential tracts are set at $10.00 per acre with a $75.00 minimum.

5. Maintenance assessment for platted lots in subdivisions whose drainage systems will not be part of the regulated drain shall be set at $35.00 per lot/minimum. Common areas within non-regulated drain subdivisions shall be assessed at $5.00 per acre with a $35.00 minimum.

6. Maintenance assessment for platted lots within subdivisions whose drainage system will be part of the regulated drain shall be set at $65.00 per lot/minimum. Common areas within the regulated drain subdivisions shall be set at $10.00 per acre with a $65.00 minimum.

The total annual assessment for this arm will be $9,315.20.

The current balance of the Weaver & Hooke Drain shall be kept separate and these funds expended for needed maintenance on the Weaver & Hooke Drain. This shall be done until the funds are exhausted. At that time funding for repairs shall then be taken from the Stony Creek Drain fund. Collections for the Weaver & Hooke Drain would not begin until May 2012.

Future assessments for the drainage area of the Weaver & Hooke Drain will be made into the Stony Creek Drain fund. No further maintenance collections for the Weaver & Hooke Drain shall be made.

I recommend that the Board set a hearing for this consolidation for June 27, 2011.

Sincerely,

Kenton C. Ward, CFM
Hamilton County Surveyor

Stony Creek #349
Weaver & Hooke #23 Arm
Hearing: 06/27/11 Combining Weaver & Hooke with Stony Creek.
Weaver & Hooke rates are the same except Res/Ag is $1/Ac.
Future assessments will be made to Stony Creek #349 fund instead of the Weaver & Hooke #23 fund.
Period of collection for maintenance is until fund is 8 * the annual assmt.
Thirteen parcels changed from Residential/Ag to Commercial.
Future work to be paid from Weaver & Hooke #23 until funds are depleted then to be paid from Stony Crk #349.
