TO: Hamilton County Drainage Board

RE: Castetter & Randall Drain, Maintenance Assessment Increase

At this time I recommend the Board increase the rates for the maintenance assessment for the Castetter & Randall Drain. The current rates are set at \$2.00 per acre, \$6.00 per lot and a \$6.00 minimum. With 569.29 acres and 421 lots in the drainage shed the annual assessment for the drain is \$3,881.20. The drain has a current negative balance of (\$2,959.22). Currently the drain has one work order which is outstanding.

Parcel 15-11-31-03-04-014.000, 0.47 acres owned by the Town of Fishers needs to be added to the assessment roll at 0.07 acres benefitted and a \$15.00 annual assessment. The remaining 0.40 acres will be added to the R.J. Craig Drain assessment roll with a \$25.00 annual assessment.

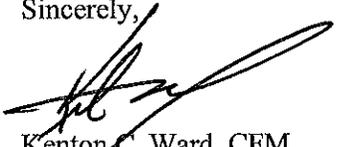

I recommend the rates be increased to the following:

1. Maintenance assessment for agricultural tracts be set at \$5.00 per acre with a \$15.00 minimum.
2. Maintenance assessment for non-platted residential tracts be set at \$5.00 per acre with a \$15.00 minimum.
3. Maintenance assessment for platted lots in subdivisions whose drainage systems will not be part of the regulated drain shall be set at \$15.00 per lot/minimum. Common areas within non-regulated drain subdivisions shall be assessed at \$5.00 per acre with a \$15.00 minimum.
4. Maintenance assessment for platted lots within subdivisions whose drainage system will be part of the regulated drain shall be set at \$65.00 per lot/minimum. Common areas within the regulated drain subdivisions shall be set at \$10.00 per acre with a \$65.00 minimum.
5. Maintenance assessment for commercial, institutional and multi-family residential tracts to be set at \$10.00 per acre with a \$75.00 minimum.
6. Maintenance assessment for roads and streets be set at \$10.00 per acre.

With the above rates the drain will collect \$16,396.96 annually. The collections at the increased rates will begin in May 2014.

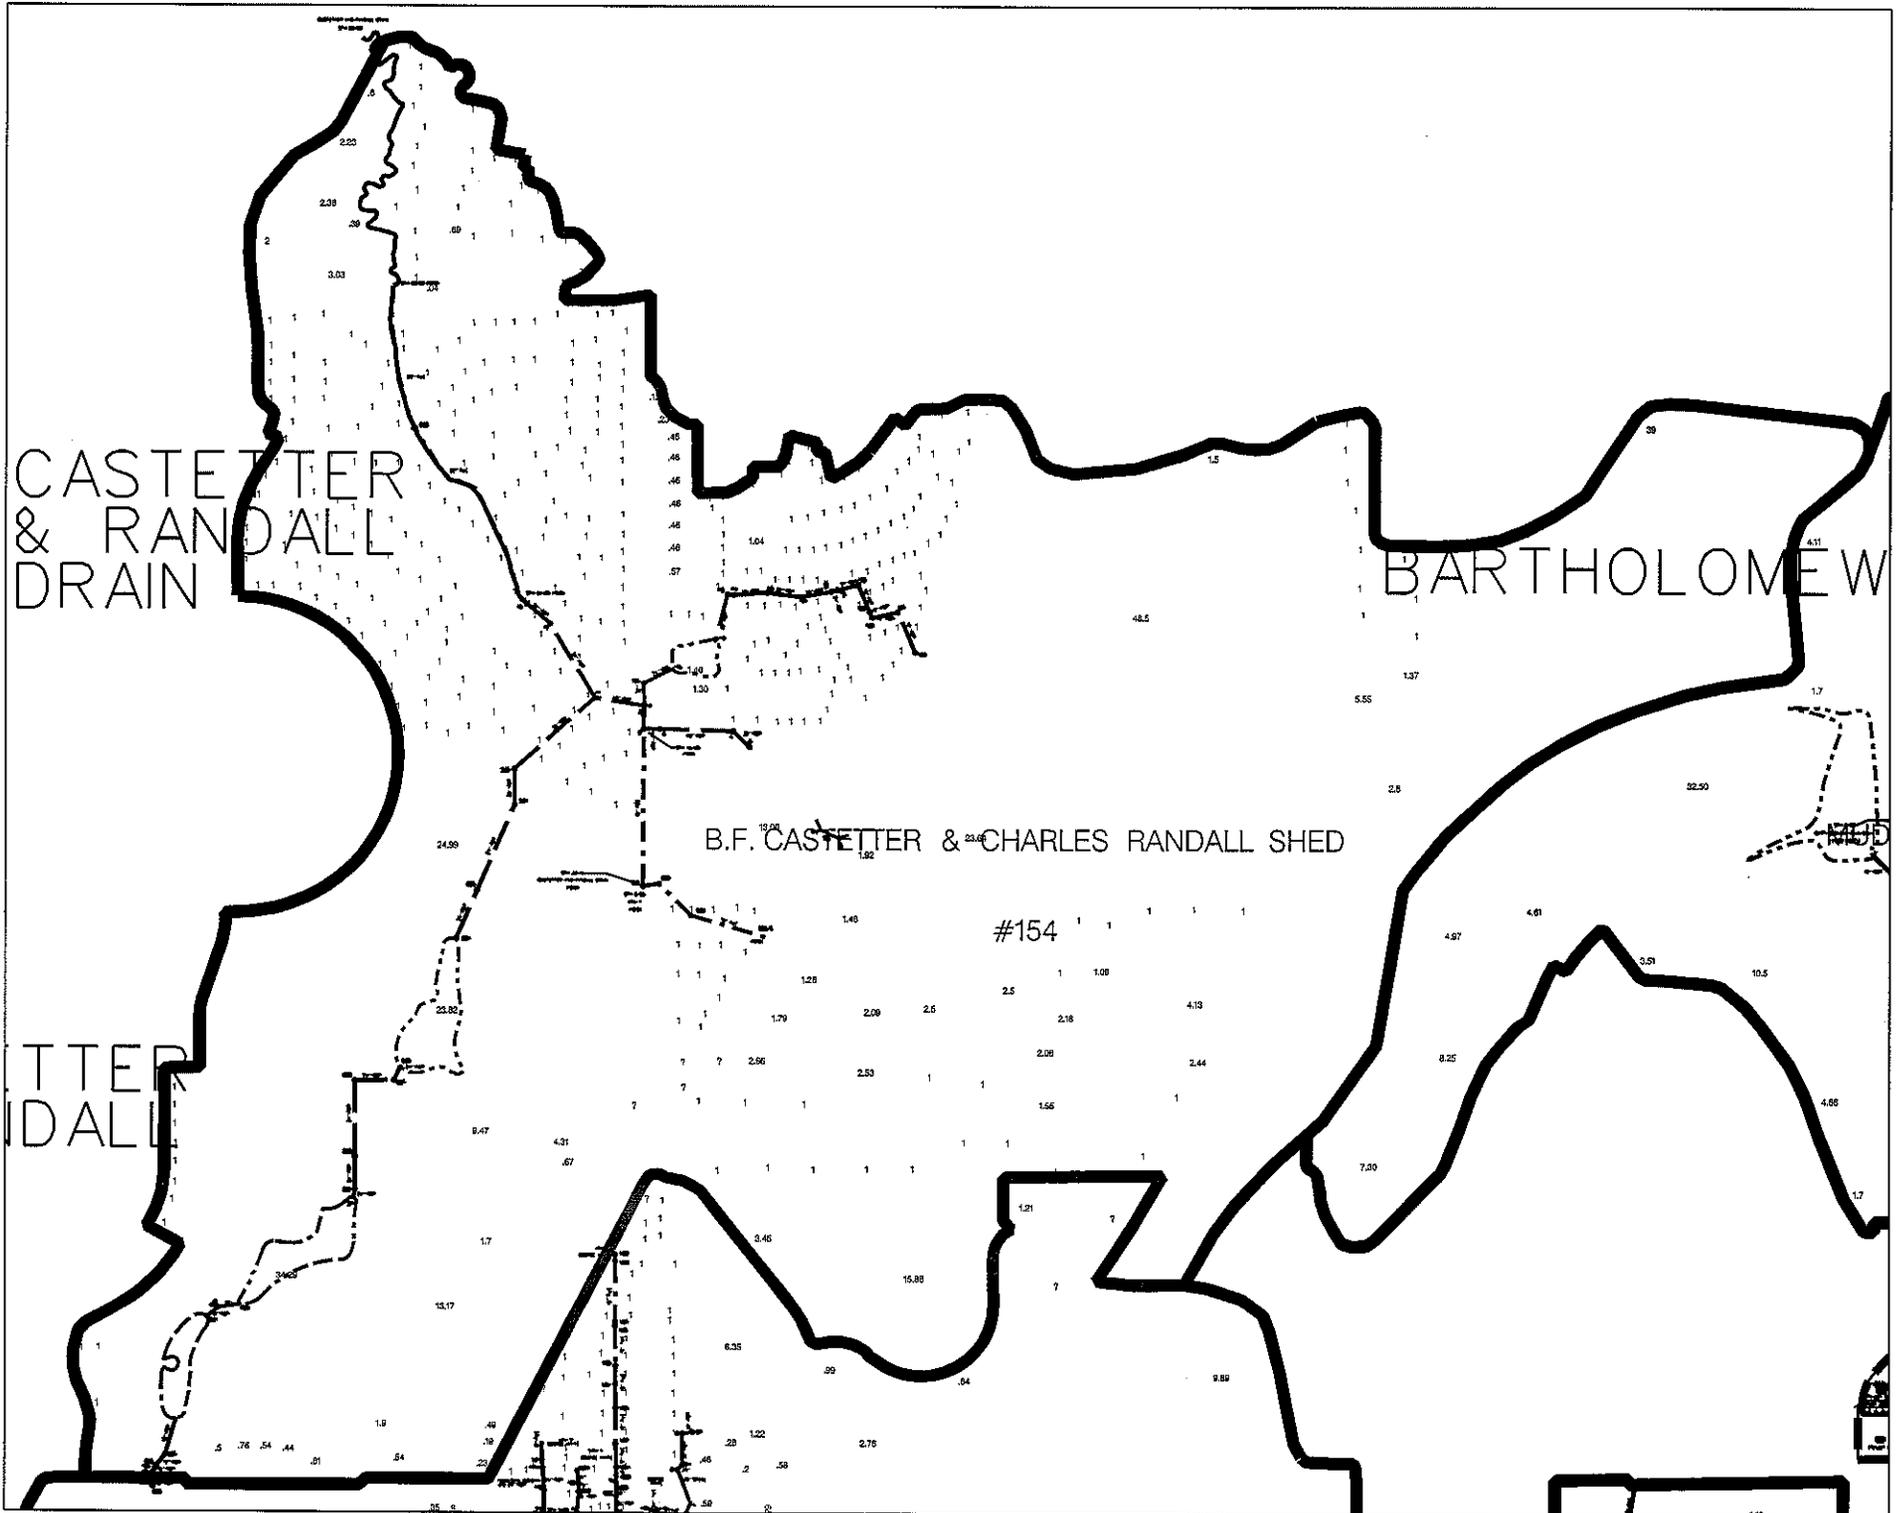

I recommend the Board set a hearing for this rate increase on June 24, 2013.

Sincerely,

Kenton C. Ward, CFM
Hamilton County Surveyor

KCW/pll
