Re: Williams Creek Drainage Area, Elliott Creek #311 Arm

Upon review of the Williams Creek Drainage Area, I believe that the Elliott Creek Drain should be made an arm to the Williams Creek Drainage Area as the Elliott Creek Drain is a tributary to the Williams Creek Drain. This would also avoid a double assessment on the tracts currently assessed for the Elliott Creek Drain when the remainder of the Williams Creek Drain is assessed for maintenance.

The Elliott Creek Drain was created per my report dated June 10, 1999 and approved by the Board at a hearing on July 26, 1999 (See Drainage Board Minute Book #5, pages 188 to 189). At present the Elliott Creek Drain maintenance assessment affects 675.92 acres and 1206 lots. The rates of assessment for the drain are set at \$3.00 per acre with a \$15.00 minimum, and \$10.00 per acre for roads with a \$65.00 minimum. The Village of Towne Pointe and Lakeside Park Subdivisions are assessed at \$10.00 per acres, with a \$65.00 minimum, and \$65.00 per lot minimum. This rate collects \$32,546.54 annually and the balance within the fund is \$151,301.69.

The current maintenance assessments, as per the existing rates set for the Williams Creek Drainage Area are as follows:

1. Maintenance assessment for roads and streets are set at \$10.00 per acre.
2. Maintenance assessment for agricultural tracts are set at \$3.00 per acre with a \$15.00 minimum.
3. Maintenance assessment for non-platted residential tracts are set at \$3.00 per acre with a \$15.00 minimum.

4. Maintenance assessment for commercial, institutional and multi-family residential tracts are set at \$10.00 per acre with a \$75.00 minimum.
5. Maintenance assessment for platted lots in subdivisions whose drainage systems will not be part of the regulated drain shall be set at \$35.00 per lot/minimum. Common areas within non-regulated drain subdivisions shall be assessed at \$5.00 per acre with a \$35.00 minimum.
6. Maintenance assessment for platted lots within subdivisions whose drainage system will be part of the regulated drain shall be set at \$65.00 per lot/minimum. Common areas within the regulated drain subdivisions shall be set at \$10.00 per acre with a \$65.00 minimum.

The total annual assessment for this arm will be \$58,067.82.

Since part of the Village of West Clay Drain falls within the Elliott Creek Drainage Shed and the Village of West Clay Drain has special assessment rates due to the unique nature of the maintenance access easement, the Village of West Clay Drainage Shed will be left in place. The parcels within the Village of West Clay Drainage Shed shall be assessed to Williams Creek Drain as unregulated (#5) rates listed above except parcels designated as commercial properties. Any future maintenance work on the Village of West Clay Drain will be paid from the Village of West Clay maintenance fund.

The parcels in the Estates of Clay West will be assessed as regulated subdivision.

The current balance of the Elliott Creek Drain shall be kept separate and these funds expended for needed maintenance on the Elliott Creek Drain. This shall be done until the funds are exhausted. At that time funding for repairs shall then be taken from the Williams Creek Drainage Area fund.

Future assessments for the drainage area of the Elliott Creek Drain will be made into the Williams Creek Drainage Area fund. No further maintenance collections for the Elliott Creek Drain shall be made after 2013 other than any delinquent assessment penalties and interest which remain unpaid.

I recommend that the Board set a hearing for this consolidation for May 28, 2013.

Sincerely,

Kenton C. Ward, CFM
Hamilton County Surveyor

Williams Creek #315 Hearing: 05/28/13

Elliott Creek #311 Arm

Period of collection for maintenance is until the Williams Creek fund is 8 * the annual assessment.

Elliott Creek was \$3/Ac, \$15/Min; \$10/Ac Roads; \$10/Ac, \$65/Min Village of Towne Pointe & Lakeside Park.

Some parcels of Elliott Creek will continue to be double assessed to Village of West Clay Drain due to the unique nature of the maintenance access easement. Those parcel will be assessed a Un-Regulated Subdivision for this arm unless they have been designated as Commercial. No future assessments will be made to Elliott Creek.

The parcels in The Estates of Clay West will now be designated as Regulated Subdivision.
