To: Hamilton County Drainage Board

Re: Williams Creek Drainage Area, Thomas Hussey #95 Arm

Upon review of the Williams Creek Drainage Area, I believe that the Thomas Hussey Drain should be made an arm to the Williams Creek Drainage Area as the Thomas Hussey Drain is a tributary to the Williams Creek Drain. This would also avoid a double assessment on the tracts currently assessed for the Thomas Hussey Drain when the remainder of the Williams Creek Drain is assessed for maintenance.

The Thomas Hussey Drain was created per the Commissioner Court by petition on September 2, 1901 and approved by the Commissioners on November 4, 1901 (See Commissioners Record Book 13, pages 225 and 278). At present the Thomas Hussey Drain maintenance assessment affects 278.40 acres and 50 lots. The rates of assessment for the drain are set at \$2.00 per acre with a \$15.00 minimum for non-platted residential tracts and agricultural tracts, \$5.00 per acre with \$35.00 minimum for unregulated drain subdivisions, \$10.00 per acre with \$65.00 minimum for regulated drain subdivisions, \$10.00 per acre with \$75.00 minimum for commercial property, and \$10.00 per acre for roads. This rate collects \$6,306.48 annually and the balance within the fund is \$6,909.81. There are no outstanding work orders for this drain at this time.

The current maintenance assessments, as per the existing rates set for the Williams Creek Drainage Area are as follows:

1. Maintenance assessment for roads and streets are set at \$10.00 per acre.
2. Maintenance assessment for agricultural tracts are set at \$3.00 per acre with a \$15.00 minimum.

3. Maintenance assessment for non-platted residential tracts are set at \$3.00 per acre with a \$15.00 minimum.
4. Maintenance assessment for commercial, institutional and multi-family residential tracts are set at \$10.00 per acre with a \$75.00 minimum.
5. Maintenance assessment for platted lots in subdivisions whose drainage systems will not be part of the regulated drain shall be set at \$35.00 per lot/minimum. Common areas within non-regulated drain subdivisions shall be assessed at \$5.00 per acre with a \$35.00 minimum.
6. Maintenance assessment for platted lots within subdivisions whose drainage system will be part of the regulated drain shall be set at \$65.00 per lot/minimum. Common areas within the regulated drain subdivisions shall be set at \$10.00 per acre with a \$65.00 minimum.

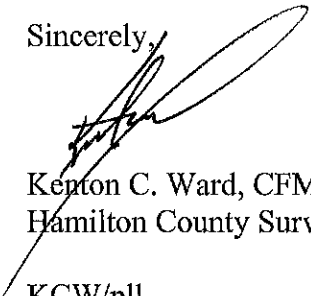

The total annual assessment for this arm will be \$6,747.22. Collections for this proposed assessment will begin in May 2013.

The current balance of the Thomas Hussey Drain shall be kept separate and these funds expended for needed maintenance on the Thomas Hussey Drain. This shall be done until the funds are exhausted. At that time funding for repairs shall then be taken from the Williams Creek Drainage Area fund.

Future assessments for the drainage area of the Thomas Hussey Drain will be made into the Williams Creek Drainage Area fund. No further maintenance collections for the Thomas Hussey Drain shall be made after 2012 other than any delinquent assessment penalties and interest which remain unpaid.

I recommend that the Board set a hearing for this consolidation for January 28, 2013.

Sincerely,

Kepton C. Ward, CFM
Hamilton County Surveyor

KCW/pll

Williams Creek #315 Hearing: 01/28/13

Thomas Hussey #95 Arm
 Thomas Hussey rates were the same except Res/Ag was \$2/per acre
 Parcels 17-13-04-00-02-025, 026, 027, 028, 032 & 033 and parcels
 17-13-04-00-01-035, 036, 037, 038 & 039 will be assessed as Regulated Drain
 because they also drain to the Sutton Place Regulated Subdivision.

*Proposed acreage of roads will be added to the existing acreage already assessed to Williams Creek.

Period of collection for maintenance is until fund is 8 * the annual assessment.
