To: Hamilton County Drainage Board

Re: Williams Creek Drainage Area, Spring Mill Run #310 Arm

Upon review of the Williams Creek Drainage Area, I believe that the Spring Mill Run Drain should be made an arm to the Williams Creek Drainage Area as the Spring Mill Run Drain is a tributary to the Williams Creek Drain. This would also avoid a double assessment on the tracts currently assessed for the Spring Mill Run Drain when the remainder of the Williams Creek Drain is assessed for maintenance.

The Spring Mill Run Drain was created per my report dated March 17, 1999 and approved by the Board at a hearing on April 26, 1999 (See Drainage Board Minute Book 5, pages 118 to 119). At present the Spring Mill Run Drain maintenance assessment affects 369.29 acres and 80 lots. The rates of assessment for the drain are set at \$2.00 per acre with a \$25.00 minimum, and \$10.00 per acre for roads. This rate collects \$3,853.14 annually and the balance within the fund is \$16,264.11. There are no outstanding work orders for this drain at this time.

The current maintenance assessments, as per the existing rates set for the Williams Creek Drainage Area are as follows:

1. Maintenance assessment for roads and streets are set at \$10.00 per acre.
2. Maintenance assessment for agricultural tracts are set at \$3.00 per acre with a \$15.00 minimum.
3. Maintenance assessment for non-platted residential tracts are set at \$3.00 per acre with a \$15.00 minimum.

4. Maintenance assessment for commercial, institutional and multi-family residential tracts are set at \$10.00 per acre with a \$75.00 minimum.
5. Maintenance assessment for platted lots in subdivisions whose drainage systems will not be part of the regulated drain shall be set at \$35.00 per lot/minimum. Common areas within non-regulated drain subdivisions shall be assessed at \$5.00 per acre with a \$35.00 minimum.
6. Maintenance assessment for platted lots within subdivisions whose drainage system will be part of the regulated drain shall be set at \$65.00 per lot/minimum. Common areas within the regulated drain subdivisions shall be set at \$10.00 per acre with a \$65.00 minimum.

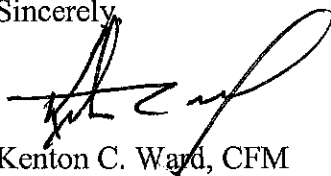

The total annual assessment for this arm will be \$8,356.58. Collections for this proposed assessment will begin in May 2013.

The current balance of the Spring Mill Run Drain shall be kept separate and these funds expended for needed maintenance on the Spring Mill Run Drain. This shall be done until the funds are exhausted. At that time funding for repairs shall then be taken from the Williams Creek Drainage Area fund.

Future assessments for the drainage area of the Spring Mill Run Drain will be made into the Williams Creek Drainage Area fund. No further maintenance collections for the Spring Mill Run Drain shall be made after 2012 other than any delinquent assessment penalties and interest which remain unpaid.

I recommend that the Board set a hearing for this consolidation for January 28, 2013.

Sincerely,

Kenton C. Ward, CFM
Hamilton County Surveyor

KCW/pll

Williams Creek #315

Spring Mill Run #310

Collection period will be until the balance of Williams Creek equals 8 times it's annual assessment.

Hearing:

*Proposed acreage of roads will be added to the existing acreage already assessed to Williams Creek.
