To: Hamilton County Drainage Board

Re: Williams Creek Drain, 106th Street & Towne Road Assessment (Crooked Stick)

Attached is a drain map, drainage shed map and schedule of assessments for maintenance for the Williams Creek Drain. This watershed area to be assessed is located in Clay Township from Ditch Road to Towne Road, north of 106th Street.

At this time I recommend to the Board that the area between Ditch Road on the east and Towne Road on the west, from 106th Street on the south, and the drainage shed line of the Thomas Hussey Drain on the north be assessed to Williams Creek Drain. This area is comprised mainly of the Crooked Stick residential and golf course area, along with scattered non-platted tracts. These tracts drain into Spring Mill Run, which drains into the Williams Creek Drain section which became part of the regulated drain per my report dated January 28, 2010 which was approved by the Board at hearing on March 22, 2010. (See Hamilton County Drainage Board Minutes Book 12, Pages 449-450).

I have reviewed the plans and drain map and believe, as set out in IC 36-9-27-69(b) (1) that all tracts within the drainage shed of the Williams Creek Drain will benefit. The following maintenance assessments have been adopted by the Board:

1. Maintenance assessment for roads and streets be set at \$10.00 per acre.
2. Maintenance assessment for agricultural tracts be set at \$3.00 per acre with a \$15.00 minimum.
3. Maintenance assessment for non-platted residential tracts be set at \$3.00 per acre with a \$15.00 minimum.
4. Maintenance assessment for commercial, institutional and multi-family residential tracts to be set at \$10.00 per acre with a \$75.00 minimum.

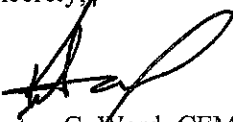

5. Maintenance assessment for platted lots in subdivisions whose drainage systems will not be part of the regulated drain (those systems maintained by the City of Westfield or City of Carmel) shall be set at \$35.00 per lot - \$35.00 minimum. Commons areas within subdivisions whose drainage systems will not be part of the regulated drain (those systems maintained by the City of Westfield or City of Carmel) shall be set at \$5.00 per acre with a \$35.00 minimum.
6. Maintenance assessment for platted lots within subdivisions whose drainage system will be part of the regulated drain shall be set at \$10.00 per acre with a \$65.00 minimum. Common areas within regulated drain subdivisions shall be set at \$10.00 per acre with a \$65.00 minimum.

The annual maintenance collection for this area of the Williams Creek Drainage Shed will be \$5,494.50. Collections for the proposed assessment will begin in May 2013.

The above rates were established for the Williams Creek Drain per my report dated June 6, 2006. Hearing for this report was heard on August 28, 2006, at which time the Board approved the rates of assessment (See Hamilton County Drainage Board Minutes Book 9, Pages 410 to 411).

I recommend that the Board set a hearing for this proposed maintenance for November 26, 2012.

Sincerely,

Kenton C. Ward, CFM
Hamilton County Surveyor

Williams Creek #315

106th & Towne Road Assessment Area (Crooked Stick)
 Collection period will be until the balance of Williams Creek equals
 8 times it's annual assessment.

Hearing: 11/26/12

*Proposed acreage of roads will be added to the existing acreage already assessed to Williams Creek.
