To: Hamilton County Drainage Board

Re: Williams Creek Drainage Area, Meridian Suburban #333 Arm

Upon review of the Williams Creek Drainage Area, I believe that the Meridian Suburban Drain should be made an arm to the Williams Creek Drainage Area as the Meridian Suburban Drain is a tributary to the Williams Creek Drain. This would also avoid a double assessment on the tracts currently assessed for the Meridian Suburban Drain when the remainder of the Williams Creek Drain is assessed for maintenance.

The Meridian Suburban Drain was created per my reconstruction report dated May 8, 2002, hearing held June 24, 2002, and approved by the Board at a hearing on July 22, 2002 (See Drainage Board Minute Book #6, pages 363 to 376 and 403 to 404). At present the Meridian Suburban Drain maintenance assessment affects 155.52 acres and 57 lots. The rates of assessment for the drain are set at \$5.00 per acre with a \$15.00 minimum for agriculture tracts, \$15.00 per acre with a \$50.00 minimum for regulated subdivision tracts, \$75.00 per acre with a \$75.00 minimum for commercial tracts, and \$10.00 per acre for roads. This rate collects \$6,967.70 annually and the balance within the fund is \$49,277.78. There are no outstanding work orders for this drain at this time.

The current maintenance assessments, as per the existing rates set for the Williams Creek Drainage Area are as follows:

1. Maintenance assessment for roads and streets are set at \$10.00 per acre.
2. Maintenance assessment for agricultural tracts are set at \$3.00 per acre with a \$15.00 minimum.
3. Maintenance assessment for non-platted residential tracts are set at \$3.00 per

acre with a \$15.00 minimum.

4. Maintenance assessment for commercial, institutional and multi-family residential tracts are set at \$10.00 per acre with a \$75.00 minimum.
5. Maintenance assessment for platted lots in subdivisions whose drainage systems will not be part of the regulated drain shall be set at \$35.00 per lot/minimum. Common areas within non-regulated drain subdivisions shall be assessed at \$5.00 per acre with a \$35.00 minimum.
6. Maintenance assessment for platted lots within subdivisions whose drainage system will be part of the regulated drain shall be set at \$65.00 per lot/minimum. Common areas within the regulated drain subdivisions shall be set at \$10.00 per acre with a \$65.00 minimum.

The total annual assessment for this arm will be \$5,627.06

The current balance of the Meridian Suburban Drain shall be kept separate and these funds expended for needed maintenance on the Meridian Suburban Drain. This shall be done until the funds are exhausted. At that time funding for repairs shall then be taken from the Williams Creek Drainage Area fund.

Future assessments for the drainage area of the Meridian Suburban Drain will be made into the Williams Creek Drainage Area fund. No further maintenance collections for the Meridian Suburban Drain shall be made after 2012 other than any delinquent assessment penalties and interest which remain unpaid.

I recommend that the Board set a hearing for this consolidation for October 22, 2012.

Sincerely,

Kenton C. Ward, CFM
Hamilton County Surveyor

KCW/pll

Williams Creek #315 Hearing: 10/22/12
Meridian Suburban #333 Arm

Collection period will be until the balance of Williams Creek equals 8 times it's annual assessment.
Reserve at Spring current rate is \$5/Ac, \$30/Minimum & \$10/Ac for roads.

The current balance of Meridian Suburban will be used for needed maintenance on the Meridian Suburban Drain. After those funds are exhausted, repairs will be paid from the Williams Creek Drain fund.
