To: Hamilton County Drainage Board

Re: Stony Creek Drain – Union Chapel Road Maintenance Assessment Area

Attached is a drain map, drainage shed map and schedule of assessments for maintenance for Stony Creek Drain. This watershed area to be assessed is located in Noblesville Township from Union Chapel Road to Summer Road and north to S.R. 38.

At this time I recommend to the Board that the area between Union Chapel Road on the west and Summer Road on the east, from the drainage shed line of the Wheeler and Wheeler Drain and William Lehr on the south and State Road 32/38 on the north be assessed to Stony Creek. This area is comprised mainly of the Chapel Woods, Sagamore and Stony Creek Farm residential areas along with scattered non-platted tracts. These tracts drain into the Stony Creek section which became part of the regulated drain per my report dated April 18, 2008 which was approved by the Board at hearing on June 23, 2008. (See Hamilton County Drainage Board Minutes Book 11, Pages 219-221).

The current assessment for the Stony Creek Drain was set by the Board per my report dated June 6, 2006 and approved at hearing on July 24, 2006. (See Hamilton County Drainage Board Minutes Book 9, Pages 334-336). The per acre rates were adjusted for residential and agricultural per my report for the reconstruction dated April 6, 2010 and approved at the Board at hearing on July 26, 2010. (See Hamilton County Drainage Board Minutes Book 13, Pages 103-107). The current assessment is as follows:

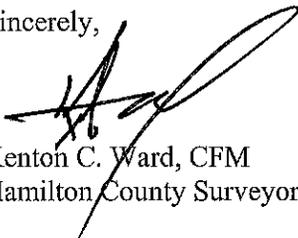

1. Maintenance assessment for roads and streets set at \$10.00 per acre.
2. Maintenance assessment for agricultural tracts set at \$4.00 per acre with a \$15.00 minimum.
3. Maintenance assessment for non-platted residential tracts set at \$4.00 per acre with a \$15.00 minimum.
4. Maintenance assessment for commercial institutional and multi-family residential tracts set at \$10.00 per acre with a \$75.00 minimum.

5. Maintenance assessment for platted lots in subdivisions whose drainage systems will not be considered part of the regulated drain (those systems maintained by the City of Noblesville) set at \$35.00 per lot - \$35.00 minimum. Common areas within subdivisions whose drainage systems will not be part of the regulated drain (those systems maintained by the City of Noblesville) shall be set at \$5.00 per acre with a \$35.00 minimum.
6. Maintenance assessment for platted lots within a subdivision whose drainage system will be part of the regulated drain set at \$65.00 per lot with a \$65.00 minimum. Common areas with regulated drain subdivisions set at \$10.00 per acre with a \$65.00 minimum.

The annual maintenance collection for this area will be \$21,244.92.

I recommend that the Board set a hearing for this proposed maintenance for September 26, 2012.

Sincerely,

Kenton C. Ward, CFM
Hamilton County Surveyor

Stony Creek #349

Union Chapel Road Maintenance Assessment Area

Hearing: September 26, 2012

Collection period will be until the balance of Stony Creek equals 8 times its annual assessment.

*Proposed acreage of roads will be added to the existing acreage already assessed to Stony Creek.

Union Chapel Rd to SR38 Area
