To: Hamilton County Drainage Board

Re: Williams Creek Drainage Area, Springmill Place #127 Arm

Upon review of the Williams Creek Drainage Area, I believe that the Springmill Place Drain should be made an arm to the Williams Creek Drainage Area as the Springmill Place Drain is a tributary to the Williams Creek Drain. This would also avoid a double assessment on the tracts currently assessed for the Springmill Place Drain when the remainder of the Williams Creek Drain is assessed for maintenance.

The Springmill Place Drain was created per my report dated December 18, 1980 and approved by the Board at a hearing on March 2, 1981 (See Drainage Board Minute Book #1, page 491). At present the Springmill Place Drain maintenance assessment affects 14.70 acres and 48 lots. The rates of assessment for the drain are set at \$5.00 per acre with a \$50.00 minimum, and roads at \$10.00 per acre. This rate collects \$2,547.00 annually and the balance within the fund is \$7,531.91. There is 1 outstanding work order for this drain at this time.

The current maintenance assessments, as per the existing rates set for the Williams Creek Drainage Area are as follows:

1. Maintenance assessment for roads and streets are set at \$10.00 per acre.
2. Maintenance assessment for agricultural tracts are set at \$3.00 per acre with a \$15.00 minimum.
3. Maintenance assessment for non-platted residential tracts are set at \$3.00 per acre with a \$15.00 minimum.

4. Maintenance assessment for commercial, institutional and multi-family residential tracts are set at \$10.00 per acre with a \$75.00 minimum.
5. Maintenance assessment for platted lots in subdivisions whose drainage systems will not be part of the regulated drain shall be set at \$35.00 per lot/minimum. Common areas within non-regulated drain subdivisions shall be assessed at \$5.00 per acre with a \$35.00 minimum.
6. Maintenance assessment for platted lots within subdivisions whose drainage system will be part of the regulated drain shall be set at \$65.00 per lot/minimum. Common areas within the regulated drain subdivisions shall be set at \$10.00 per acre with a \$65.00 minimum.

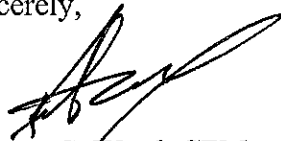

The total annual assessment for this arm will be \$3,267.00.

The current balance of the Springmill Place Drain shall be kept separate and these funds expended for needed maintenance on the Springmill Place Drain. This shall be done until the funds are exhausted. At that time funding for repairs shall then be taken from the Williams Creek Drainage Area fund.

Future assessments for the drainage area of the Springmill Place Drain will be made into the Williams Creek Drainage Area fund. No further maintenance collections for the Springmill Place Drain shall be made after 2012 other than any delinquent assessment penalties and interest which remain unpaid.

I recommend that the Board set a hearing for this consolidation for August 27, 2012.

Sincerely,

Kenton C. Ward, CFM
Hamilton County Surveyor

KCW/pll

**Williams Creek #315
Springmill Place #127 Arm**

Hearing: 08/27/12

Period of collection for maintenance is until fund is 8 * the annual assessment.

Springmill Place rates were \$5/Ac, \$50/Minimum and \$10/Ac for roads

Combining Springmill Place as an arm to Williams Creek.

*Proposed acreage of roads will be added to the existing acreage already assessed to Williams Creek.
