To: Hamilton County Drainage Board

Re: Williams Creek Drainage Area, Clay Springs #261 Arm

Upon review of the Williams Creek Drainage Area, I believe that the Clay Springs Drain should be made an arm to the Williams Creek Drainage Area as the Clay Springs Drain is a tributary to the Williams Creek Drain. This would also avoid a double assessment on the tracts currently assessed for the Clay Springs Drain when the remainder of the Williams Creek Drain is assessed for maintenance.

The Clay Springs Drain was created per my report dated December 17, 1993 and approved by the Board at a hearing on March 28, 1994 (See Drainage Board Minute Book #3, pages 233 to 234). At present the Clay Springs Drain maintenance assessment affects 21.94 acres and 52 lots. The rate of assessment for the drain is set at \$5.00 per acre with a \$25.00 minimum. This rate collects \$1,479.46 annually and the balance within the fund is \$5,009.30. There is 1 outstanding work order for vegetation spray for this drain at this time.

The current maintenance assessments, as per the existing rates set for the Williams Creek Drainage Area are as follows:

1. Maintenance assessment for roads and streets are set at \$10.00 per acre.
2. Maintenance assessment for agricultural tracts are set at \$3.00 per acre with a \$15.00 minimum.
3. Maintenance assessment for non-platted residential tracts are set at \$3.00 per acre with a \$15.00 minimum.

4. Maintenance assessment for commercial, institutional and multi-family residential tracts are set at \$10.00 per acre with a \$75.00 minimum.
5. Maintenance assessment for platted lots in subdivisions whose drainage systems will not be part of the regulated drain shall be set at \$35.00 per lot/minimum. Common areas within non-regulated drain subdivisions shall be assessed at \$5.00 per acre with a \$35.00 minimum.
6. Maintenance assessment for platted lots within subdivisions whose drainage system will be part of the regulated drain shall be set at \$65.00 per lot/minimum. Common areas within the regulated drain subdivisions shall be set at \$10.00 per acre with a \$65.00 minimum.

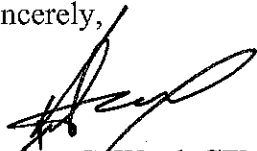

The total annual assessment for this arm will be \$3,798.90.

The current balance of the Clay Springs Drain shall be kept separate and these funds expended for needed maintenance on the Clay Springs Drain. This shall be done until the funds are exhausted. At that time funding for repairs shall then be taken from the Williams Creek Drainage Area fund.

Future assessments for the drainage area of the Clay Springs Drain will be made into the Williams Creek Drainage Area fund. No further maintenance collections for the Clay Springs Drain shall be made after 2012 other than any delinquent assessment penalties and interest which remain unpaid.

I recommend that the Board set a hearing for this consolidation for August 27, 2012.

Sincerely,

Kenton C. Ward, CFM  
Hamilton County Surveyor

KCW/pll

**Williams Creek #315  
Clay Springs #261 Arm**  
Hearing: 08/27/12

Period of collection for maintenance is until fund is 8 \* the annual assessment.  
Clay Springs rates were \$5/Ac, \$25/Minimum

Combining Clay Springs as an arm to Williams Creek.

\*Proposed acreage of roads will be added to the existing acreage already assessed to Williams Creek.
