Re: Cool Creek Drainage Area, Westfield Farms #207 Arm

Upon review of the Cool Creek Drain, I believe that the Westfield Farms Drain should be made an arm to the Cool Creek Drain, as the Westfield Farms Drain outlets into the Cool Creek Drain. This would also avoid a double assessment on the tracts currently assessed for the Westfield Farms Drain when the remainder of the Cool Creek Drain is assessed for maintenance.

The Westfield Farms Drain was created per my report dated June 12, 1985 and approved by the Board at a hearing on August 12, 1985 (See Drainage Board Minute Book #2, page 73). At present the Westfield Farms Drain maintenance assessment affects 75.66 acres and 273 lots. The rate of assessment for the drain is set at $2.00 per acre with a $30.00 minimum. This rate collects $8,504.50 annually and the balance within the fund is $35,330.56. There are no outstanding work orders for this drain at this time.

The current maintenance assessments, as per the existing rates set for the Cool Creek Drain are as follows:

1. Maintenance assessment for roads and streets are set at $10.00 per acre with a $25.00 minimum.

2. Maintenance assessment for agricultural tracts are set at $2.00 per acre with a $15.00 minimum.

3. Maintenance assessment for non-platted residential tracts are set at $2.00 per acre with a $15.00 minimum.

4. Maintenance assessment for commercial, institutional and multi-family residential tracts are set at $35.00 per acre with a $75.00 minimum.

5. Maintenance assessment for platted lots in subdivisions whose drainage systems will not be part of the regulated drain shall be set at $25.00 per lot/minimum. Common areas within non-regulated drain subdivisions shall be assessed at $10.00 per acre with a $25.00 minimum.

6. Maintenance assessment for platted lots within subdivisions whose drainage system will be part of the regulated drain shall be set at $65.00 per lot/minimum. Common areas within the regulated drain subdivisions shall be set at $15.00 per acre with a $65.00 minimum.

The total annual assessment for this arm will be $18,116.50.

The current balance of the Westfield Farms Drain shall be kept separate and these funds expended for needed maintenance on the Westfield Farms Drain. This shall be done until the funds are exhausted. At that time funding for repairs shall then be taken from the Cool Creek Drain fund.

Future assessments for the drainage area of the Westfield Farms Drain will be made into the Cool Creek Drain fund. No further maintenance collections for the Westfield Farms Drain shall be made after 2012 other than any delinquent assessment penalties and interest which remain unpaid.

I recommend that the Board set a hearing for this consolidation for August 27, 2012.

Sincerely,

Kenton C. Ward, CFM
Hamilton County Surveyor
