Re: John Owen Drain, North Harbour Extension

Attached is a drain map for the extension of the John Owen Drain. This proposed drain is located in Noblesville Township. This extension was set out in my classification report to the Board dated April 22, 2010 and approved by the Board on May 10, 2010 at which time the Board referred the list to the Surveyor for maintenance and reconstruction of drains as listed. This extension is a reconstruction of the John Owen Drain as per IC 36-9-27-34(b) (E). This report is being submitted per IC 36-9-27-49. This extension falls under subsection (b) (2) of Section 49. The drain is to be accepted in place without reconstruction costs or assessment.

I have made a personal inspection of the land described below. Upon doing so, I believe that the drain is practicable, will improve the public health, benefit a highway and be of public utility and that the costs, damages and expenses of the proposed drain will probably be less than the benefits accruing to the owners of land likely to be benefited. The drain will consist of the following:

Open Ditch – 1,125 feet

The extension shall begin at a point in the open drain at the south right-of-way line of 211th Street. This point is the existing terminus of the regulated drain as described in my report dated February 23, 2010 for the John Owen Drain, Lions Creek Extension. This extension was approved by the Board at hearing on May 24, 2010. (See Hamilton County Drainage Board Minutes Book 12, Pages 552-553). Thence running downstream within the existing open ditch 1,125 feet through Harbour Town Apartments and North Harbour Section 15 (Lots 450, 451, 452 and 453.) and North Harbour Section 14 (Lot 436 and Common Area Block A) to its outlet in Morse Reservoir.

Platted drainage easements exist on the parcels involved per the plat of North Harbour, Section 14 as recorded in the office of the Hamilton County Recorder on May 18, 1978 in Deed Record Book 7, pages 44-46, per the plat of North Harbour, Section 15 as recorded in the office of the Hamilton County Recorder on May 16, 1978 in Deed Record Book 7, pages 36-38 and per the plat and for Harbour Town Apartments as recorded in the office of the Hamilton County Recorder on June 28, 1985 in Deed Record Book 349, pages 774-776. Therefore, I believe that no damages will result due to the regulating of this drain.

According to FEMA Flood Insurance Rate Map Number 18057C0130F, dated February 19, 2003, this area is also covered by mapped floodplain.

This proposed extension will affect the following tracts:

Parcel	Owner
11-06-15-00-00-019.001	Fifth Third Bank
11-06-15-03-05-001.000	Provence, Terry & Vicky L.

11-06-15-03-04-025.000	Busch, William J. & Michelle

I recommend that the Board set a hearing for this extension for August 23, 2010.

Sincerely,

Kenton C. Ward, CFM
Hamilton County Surveyor
