To: Hamilton County Drainage Board

Re: Williams Creek Drainage Area, Saddle Creek Arm

Upon review of the Williams Creek Drainage Area, I believe that the Saddle Creek Drain #295 should be made an arm to the Williams Creek Drainage Area as the Saddle Creek Drain is a tributary to the Williams Creek Drain. This would also avoid a double assessment on the tracts currently assessed for the Saddle Creek Drain when the remainder of the Williams Creek (Charles Osborn & JR Collins #2) Drain is assessed for maintenance.

The Saddle Creek Drain was created by the Hamilton County Drainage Board per the Surveyor's report dated August 22, 1996 and approved by the Board on October 28, 1996 (See Drainage Board Minutes Book 4, Pages 301 to 302). At present the Saddle Creek Drain maintenance assessment affects 199.16 acres and 466 lots. The rate of assessment for the drain is set at \$5.00 per acre for common areas and road, with a \$30.00 minimum, and \$30.00 per lot. This rate collects \$15,483.42 annually and the balance within the fund is \$64,529.68. There is one outstanding work order for this drain at this time.

Per my report for the Williams Creek Drainage Area, O.F. Henley #102 Arm, dated May 31, 2011, the assessment for this subdivision will be under the O.F. Henley combination report as a subdivision whose drainage system will be part of the regulated drain and no assessment will be made under this report to combine the subdivision drain.

The current maintenance assessments, as per the existing rates set for the Williams Creek Drainage Area are as follows:

1. Maintenance assessment for roads and streets are set at \$10.00 per acre.

2. Maintenance assessment for agricultural tracts are set at \$3.00 per acre with a \$15.00 minimum.
3. Maintenance assessment for non-platted residential tracts are set at \$3.00 per acre with a \$15.00 minimum.
4. Maintenance assessment for commercial, institutional and multi-family residential tracts are set at \$10.00 per acre with a \$75.00 minimum.
5. Maintenance assessment for platted lots in subdivisions whose drainage systems will not be part of the regulated drain shall be set at \$35.00 per lot/minimum. Common areas within non-regulated drain subdivisions shall be assessed at \$5.00 per acre with a \$35.00 minimum.
6. Maintenance assessment for platted lots within subdivisions whose drainage system will be part of the regulated drain shall be set at \$65.00 per lot/minimum. Common areas within the regulated drain subdivisions shall be set at \$10.00 per acre with a \$65.00 minimum.

The total annual assessment for this arm has been assessed with the O.F. Henley Arm hearing.

The current balance of the Saddle Creek Drain shall be kept separate and these funds expended for needed maintenance on the Saddle Creek Drain. This shall be done until the funds are exhausted. At that time funding for repairs shall then be taken from the Williams Creek Drainage Area fund.

Future assessments for the drainage area of the Saddle Creek Drain will be made into the Williams Creek Drainage Area fund. No further maintenance collections for the Saddle Creek Drain shall be made after 2011 other than any delinquent assessment penalties and interest which remain unpaid.

I recommend that the Board set a hearing for this consolidation for August 22, 2011.

Sincerely,

Kenton C. Ward, CFM
Hamilton County Surveyor

KCW/pll

Williams Creek #315
 Saddle Creek Arm (Was #295)
 Hearing: 08/22/11
 Rate was \$5/Ac, \$30/MIn

*The assessment for this subdivision will be under the O.F. Henley combination report as a subdivision whose drainage system will be part of the regulated drain.
