Thousands of Fishers Residents Assigned New Polling Locations All Polling Locations Removed from Hamilton Southeastern Schools

(NOBLESVILLE, APRIL 15, 2019) – More than 30,000 voters in Fishers will have a new polling location for the Primary Election Tuesday, May 7th, as well as future elections. Hamilton Southeastern Schools asked that all polling locations within school buildings be moved due to security concerns.

The 30 new polling locations were approved by the Hamilton County Commissioners Monday, March 25th. Most of the changes are in the Delaware-Fall Creek Township area. New locations have been secured in area churches and neighborhood clubhouses.

“If you have previously voted in an HSE school, you can assume you have a new voting location this year,” says Hamilton County Clerk Kathy Williams. “Bright yellow postcards were mailed last week notifying 31,000 voters of their new voting locations.”

If you do not receive a yellow card in the mail, you can find your new voting location at www.indianavoters.com, www.hamiltoncounty.in.gov/226/Polling-Locations or by calling the Election Office at (317) 776-8476. See below for a map of the Delaware-FallCreek Township precincts.
