TO: Hamilton County Drainage Board

RE: Rebecca Roberts Drain

Upon review of the drainage sheds it was found that the drainage shed for the Rebecca Roberts Drain is in need of revision. This revision is due to the reconstruction and relocation of the Roberts Drain by the Purgatory Golf Course. This reconstruction and relocation was done per my report dated September 24, 1997 and approved at hearing on September 8, 1997 (see Hamilton County Drainage Board Minutes Book 4, page 427).

The revision affects three parcels as follows:

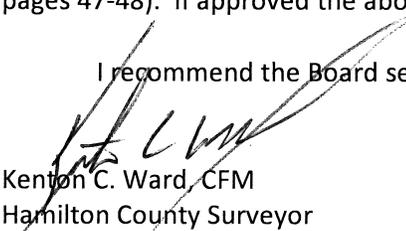

| | | |
|-------------------------------|------------------------|------------|
| Purgatory Golf Club, Inc. | 07-07-10-00-00-008.000 | 166.15 Ac. |
| Beth Lively & Lynne Sylvester | 07-07-10-00-00-002.000 | 39.97 Ac. |
| Beth Lively & Lynne Sylvester | 07-07-10-00-00-003.000 | 153.49 Ac. |

The revision would be as follows:

| | <u>Current area benefited</u> | <u>Proposed area benefited</u> | <u>Current Assmnt</u> | <u>Proposed Assmnt</u> |
|------------------|-------------------------------|--------------------------------|-----------------------|------------------------|
| Purgatory | 31.0 Ac. | 42.45 Ac. | \$62.00 | \$84.90 |
| Lively/Sylvester | 0.00 Ac. | 0.70 Ac. | \$ 0.00 | \$15.00 |
| Lively/Sylvester | 8.00 Ac. | 15.65 Ac. | \$16.00 | \$31.30 |

The current rates of assessment for the drainage area were set by the Board at hearing on January 23, 2006 per my report to the Board dated November 1, 2005 (see Hamilton County Drainage Board Minute Book 9, pages 47-48). If approved the above assessments will not be collected until 2020.

I recommend the Board set this hearing on June 24, 2019.
