To: Hamilton County Drainage Board

Re: Daniel W. Kemp Drain, Strawtown Ave. Extension

Attached is a drain map, drainage shed map and schedule of assessments for the extension of the Daniel W. Kemp Drain (aka Dyers Creek). This proposed drain is located in White River Township.

I have made a personal inspection of the land described below. Upon doing so, I believe that the drain is practicable, will improve the public health, benefit a public highway and be of public utility and that the costs, damages and expenses of the proposed drain will probably be less than the benefits accruing to the owners of land likely to be benefited. The drain will consist of the following:

Open Ditch 121 ft.

The total length of the drain will be 121 feet.

The extension will begin at the existing east Right of Way line of Strawtown Ave. and extend across to the west Right of Way line of Strawtown Ave.

The Daniel W. Kemp Drain is not assessed as the time. Therefore, no assessment is proposed as part of this report.

The easements for the drain should be set at 75' from top of bank as set out in IC 36-9-27-33.

I recommend that the Board set a hearing for this proposal for January 27, 2020.

Sincerely,

Kenton C. Ward, CFM
Hamilton County Surveyor

KCW/pll

Daniel W. Kemp Drain (Dyers Creek)

Strawtown Avenue Extension

Hearing: 01/27/20

*No cost for extension. Drain to be accepted in place without reconstruction costs or assessment.

* A maintenance fund will not be established at this time.

Adding 121' of ditch to total length.
